Don't leave it to the last minute...

Everyone has special occasions in their lives when flowers are sent to friends, family members, or other acquaintances. Laura Clare has created the "**Floral Concierge**" to assist you in remembering these special events. The form below identifies some traditional occasions when you might typically send flowers and also provides an opportunity for you to add your own personal events. Once the attached form is completed, Laura Clare will contact you by email two (2) weeks prior to the specified date to confirm the recipient's information, discuss any special requests, and to identify the content of the accompanying card. Unless advised otherwise, Laura Clare will forward the requested arrangement/plant and chocolates per your written request. Once the flowers and accessories are sent, your credit card (held on file) will be charged.

To get started, kindly complete the "Billing Information" section and then complete a separate "Floral Concierge" form for each recipient. Additional copies of the "Floral Concierge" form can be located on our website at www.lauraclaredesign.com/retail.html
